### For Littil Use Only:

Notes:

### Fault Verification:

Results	Recommendation

In the unlikely event of any product failing, and to provide the highest level of after sales service to you, we will replace your product under warranty prior to receipt of the faulty product. Should the above listed products not be returned to Littil in full within 30 days of the original claim date you will be required to pay for the replacement products as per our warranty terms and conditions. ie: Drivers for LED lighting or any other component replaced but not returned.
